

ZyPerUHD Decoder Weather Enclosure

The Mega Media Industrial enclosure is a custom weather resistant and security enclosure specifically designed for the **ZyPerUHD Decoder**.

The ZyPerUHD platform allows for the easy distribution and switching of ultra high definition compressed video, audio, and other data signals using ZyPerUHD encoder and decoder modules and off-the-shelf 1Gb Ethernet switches.

Rugged and Water Resistant

Built with powder coated, fully welded steel with sealed gaskets, hidden hinges and installed with pre-drilled 3/8 inch holes.

Ready for Install

Removable side plates ship ready for mounting a ZyPerUHD Decoder. Includes two vent plugs, two IP54 rated cord grips, stainless steel decoder mounting fasteners and square key.

Maintenance free, easy installation, safe and secure.

Compatible with ZyPerUHD Decoders

ZeeVee part # ZyPerUHD-D

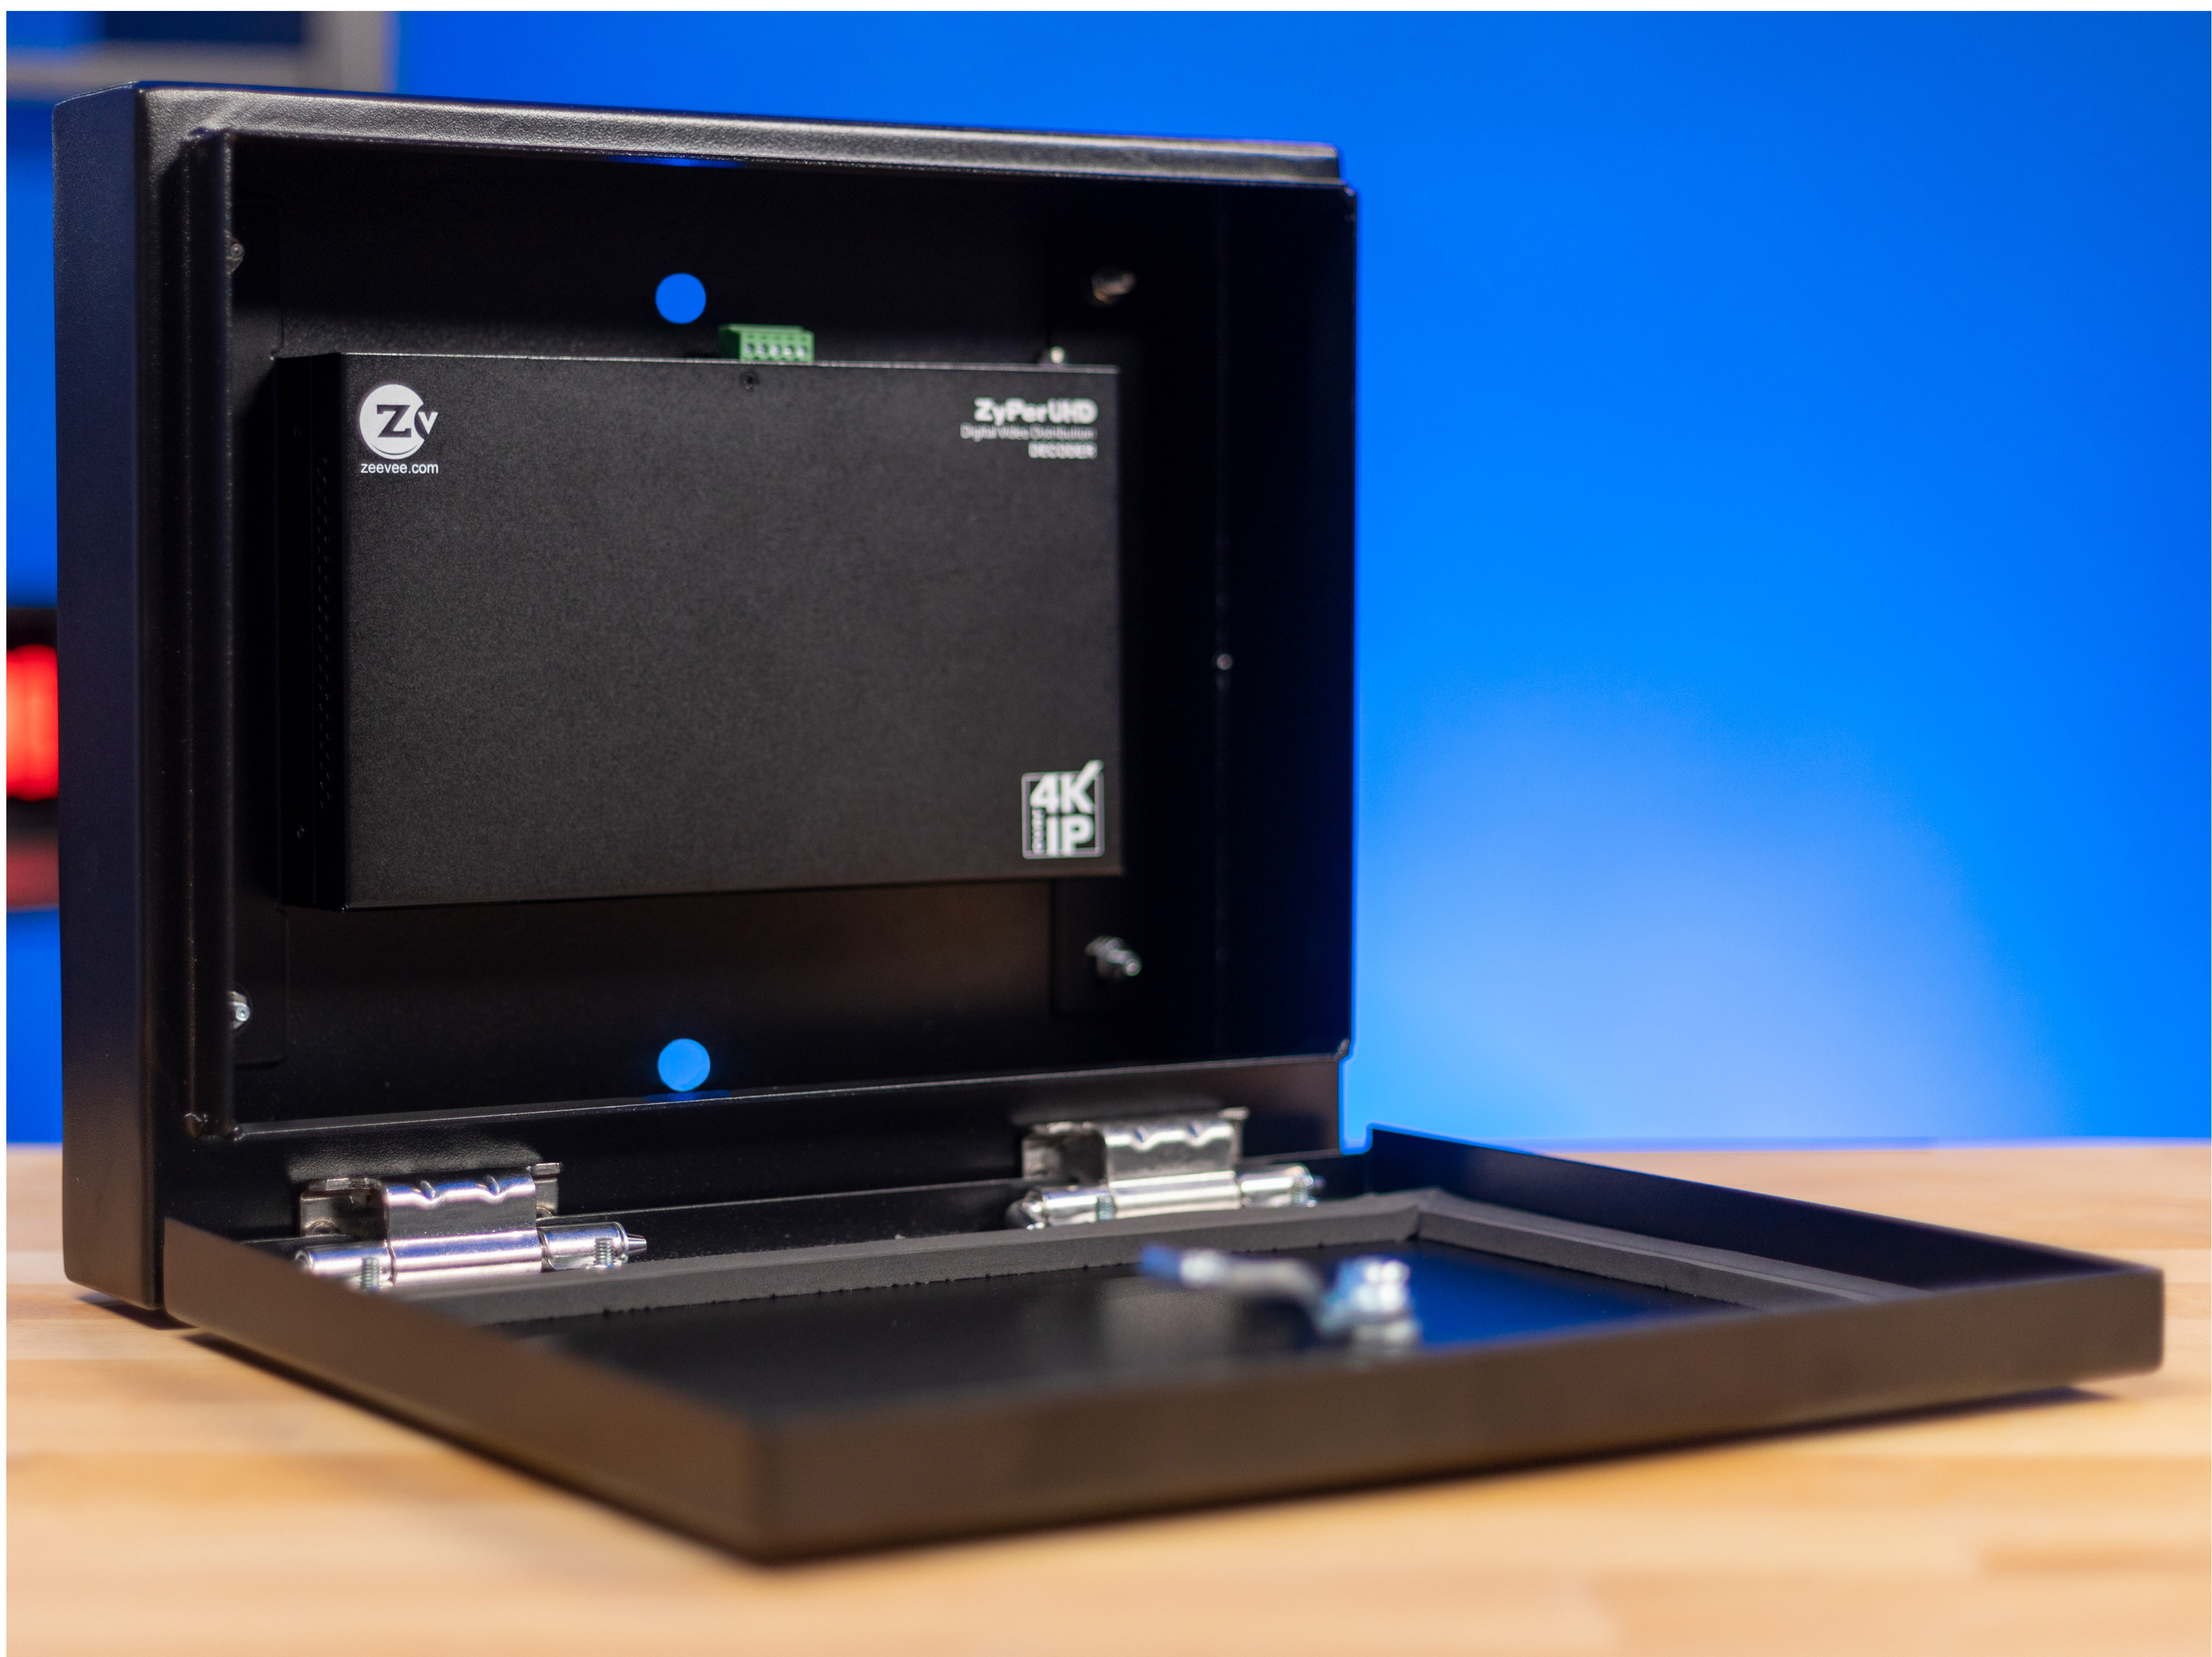

Must use PoE for ZyPerUHD power.
