

Digital Room Sign

DRS-10.1

MEGAMEDIA 

• INDUSTRIAL •

The Mega Media Industrial Digital Room Sign features a vibrant 10.1" digital display and customizable design with ADA tactile text and braille.

Fully Customizable

Tailor the look of your room sign to match your brand identity or interior décor. Our acrylic panels are fully customizable, allowing you to create a unique and eye-catching display.

ADA Compliant

Designed with accessibility in mind, our room sign feature tactile text and braille, making them compliant with ADA regulations and suitable for all users.

Ready for Install

With simple mounting options, our room signs can be easily installed in any environment, minimizing downtime and maximizing convenience.

Endless Applications

Whether it's in corporate offices, educational institutions, healthcare facilities, hospitality, or even sports venues, our room signs are the perfect solution for displaying important information and announcements.
