

Peerless-AV Outdoor Enclosure

MMI-XHB554

MEGAMEDIA 

• INDUSTRIAL •

The Mega Media Industrial Outdoor Enclosure, specially designed for the Peerless-AV XHB554 Outdoor Display, is engineered for durability, performance, and security. Our enclosure ensures your outdoor display remains protected and operational in any environment.

Optimized Cooling System

Equipped with an outdoor-rated active cooling system, our enclosure effectively regulates internal temperatures, preventing overheating and ensuring optimal performance of the Peerless-AV XHB554 Outdoor Display in even the harshest weather conditions.

Peerless-AV Certification

Our enclosure is certified by Peerless-AV, a testament to its quality, reliability, and compatibility with the Peerless-AV XHB554 Outdoor Display.

Tamper-Resistant Design

Rest easy knowing your display is secure from tampering and vandalism. Our enclosure features tamper-resistant fasteners, providing added protection and peace of mind in public spaces.

Durable Construction

Crafted from high-quality materials, our outdoor enclosure is built to withstand the rigors of outdoor environments, ensuring long-lasting durability and performance.

Easy Installation and Maintenance

With straightforward installation procedures, our enclosure can be quickly and securely mounted, minimizing downtime and simplifying maintenance tasks.
