

# Bluefin In Wall Enclosure

BLFN-IW

**MEGAMEDIA** 

• INDUSTRIAL •

The Mega Media Industrial BLFN-IW custom manufactured in-wall enclosure specifically for 13.3", 15.6", and 21.5" portrait or landscape Bluefin Displays.

## Simple, Sleek and Sturdy

Our enclosures have a very minimalist look that goes with the décor of any facility, bringing to life a new standard of digital signage. Create your own look with a custom printed faceplate. Match your look, aesthetic, and branding.

## ADA Compliant

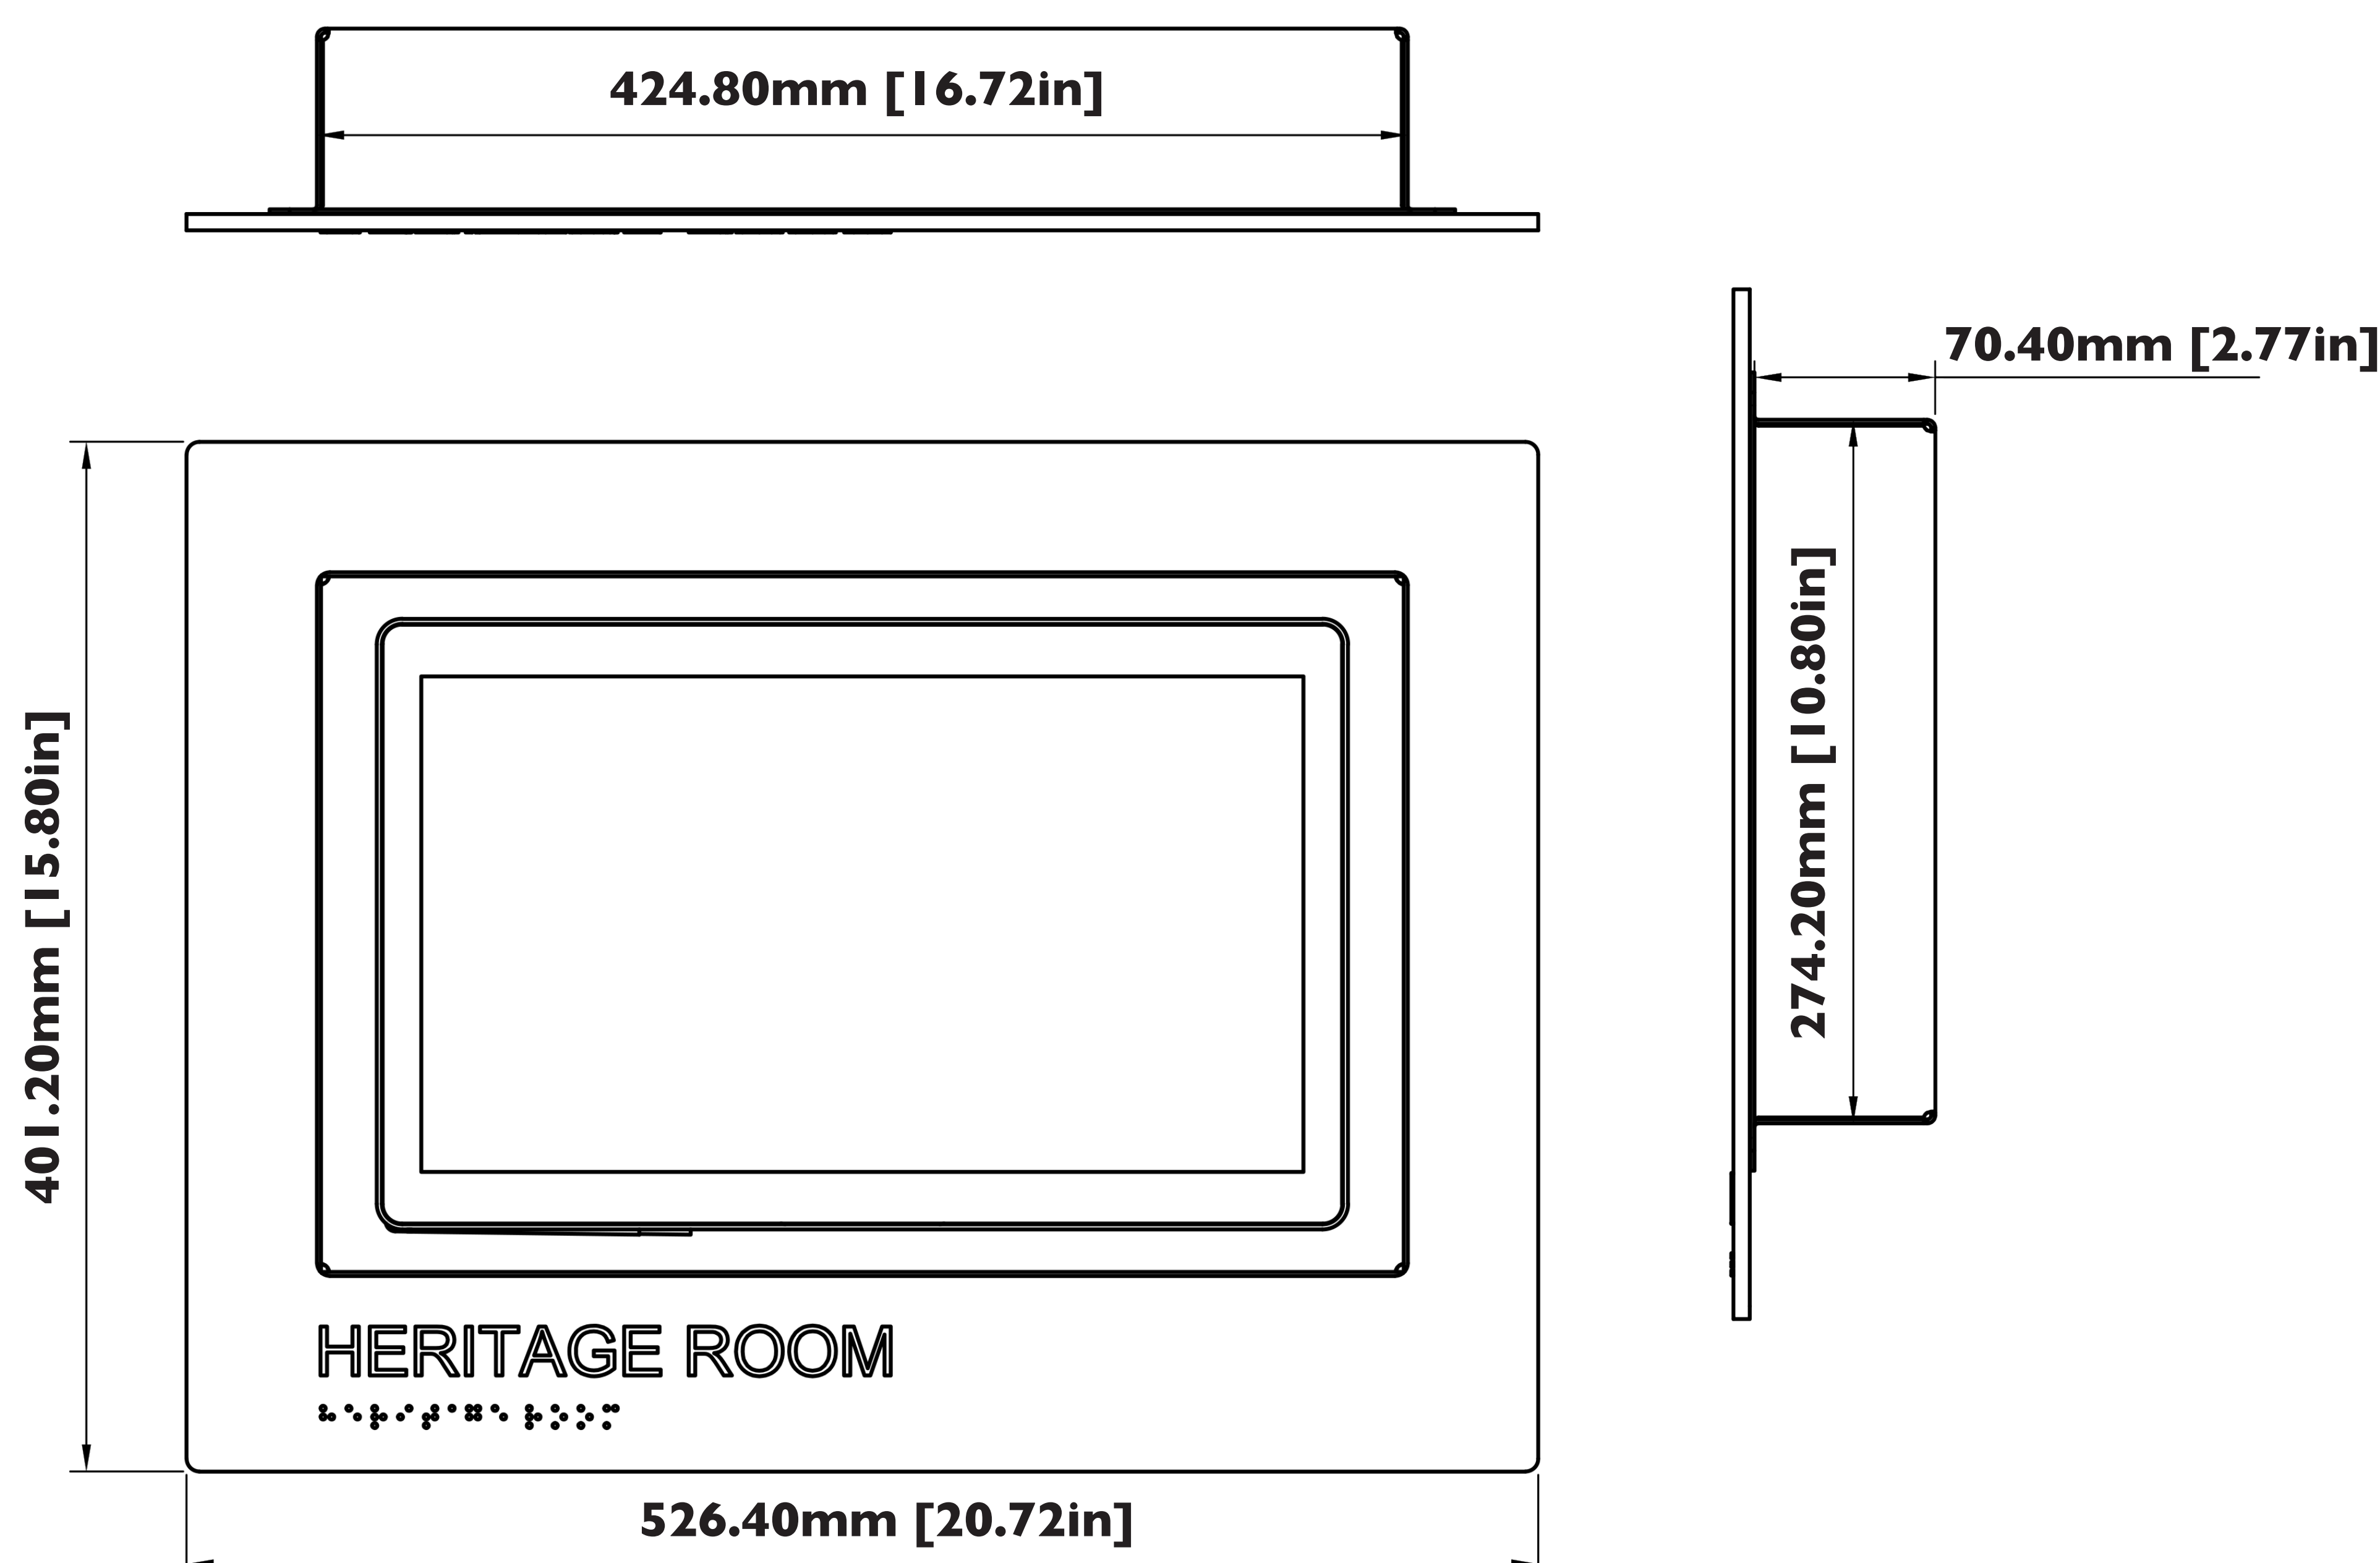

Our feature ADA compliant tactile text and braille, that ensures accessibility to all people regardless of disability.

## Built to Last

Crafted from high-quality metal, our enclosures offer maximum protection for your Bluefin Digital Signage Displays, ensuring longevity and resilience even in high-traffic areas. Designed and manufactured in the USA from USA made materials.

## Endless Applications

Ideal for Hospitality, Corporate Meeting Rooms, Conference Centers, Educational Institutions, Healthcare Facilities and much more.
